Metal parts finishing options

All products have a standard metal finish that will be described below the item number. You can also choose another finish from the list below.

02
MATTE BLACK

25
IRIDESCENT WHITE

38
PALE GOLD

39
LEAD GREY

The finishes exemplified here are representative and may suffer variations from the original item. Please use them only as a guide for selecting colors. Physical samples are available through our partners or by contacting our sales team. Due to natural variations in texture, grain patterns and nodal marks, color tones of natural wood veneers will differ. These are part of the inherent beauty of the material and cannot be regarded as defects.
