

**WARNING!**

 Be sure electrical power is OFF before and during installation or maintenance. The luminaire must be installed by a qualified electrician, in accordance with all applicable local codes.

Ensure that the rated luminaire voltage requirements are compatible with the available mains supply in which it will be installed. All LEDs are included in your lamp. Never touch the LED surface with your bare hands as this may reduce the life of your LED. Do not alter, relocate or remove any electrical component.

  
ø8mm /  
ø5/16"

Line:  
Family:  
Description:

Input voltage: 120 - 240V  
Input frequency: 60Hz

Material: Natural Wood Vener and MDF.

Read carefully all the assembling instructions below and turn OFF energy power before starting the installation.

Remove the protective packaging, taking care not to cut or scratch the wooden pieces.

Place the tabletop on a horizontal surface, with the underside facing down.

Insert the table base through the lower opening of the tabletop, aligning the internal recess of the tabletop with the square protrusion on the base. You will know the base is correctly positioned when it fits into the tabletop and no longer rotates.

With the base positioned, access the holes through the lower opening and tighten the provided screws (P1) to complete the fastening.

Your table is now ready for use!

**USER MANUAL**

If the table is placed near or adjacent to other pieces of furniture, such as sofas or armchairs, ensure that no part is in direct contact with surfaces or edges that may cause potential damage.

Objects or forces exceeding 3kg should not be placed under the table in order to preserve the integrity of the product.

The table is designed for indoor use only and should not be exposed to weather conditions such as direct sunlight, humidity, sea air, or extreme weather conditions.

Avoid placing cups, bottles, and other containers that are excessively hot, cold, or wet on the table to prevent permanent stains on the natural wood veneer.

The table should be cleaned using only a cloth lightly dampened with water and mild soap, avoiding any abrasive cleaning products.

PROVIDED SCREWS

Turn on the electrical power.

The luminaire is ready for use.

**ATTENTION!**

 FAILURE TO COMPLY WITH THESE INSTRUCTIONS MAY CAUSE ACCIDENTS AND LOSS OF PRODUCT WARRANTY. Its recommended to read these instructions completely and carefully before proceeding.

SAVE THESE INSTRUCTIONS FOR FUTURE REFERENCE.

ACCORD Lighting guarantees coverage against manufacturing defects including electrical components and finishes, for a period of three years, under normal use, from the date of purchase.
